Dear Al:

I am forwarding a copy of Headquarters SAC letter regarding your final report on Project [REDACTED]. The attachment to this letter is rather specific in its exceptions to the report and I believe an answer is due in most instances.

I would suggest that you review all of these comments and furnish a written reply as soon as possible to me. We can then iron out any differences at the meeting with SAC, AFCIN, ITL, and Project Headquarters on 10 April 1961. This meeting is scheduled for 9:00 at the Pentagon Annex No. 3, Maj. W. Biely's office.

Very truly yours,

SIGNED
